***LISTINO PUBBLICO 2018
2018 GENERAL CATALOGUE AND RETAIL PRICE LIST***

La Contessa Srl, da sempre nel settore armiero, ha deciso di creare prodotti amici dei cacciatori e tiratori di tutto il mondo. Questi nuovi supporti per sistemi di puntamento, infatti, riusciranno a soddisfare anche il cliente più esigente grazie alle loro praticità d'uso. Il connubio tra artigianalità, alta tecnologia e l'utilizzo dei migliori materiali sono le basi per la nascita di oggetti di elevata qualità e precisione che resteranno inalterate nel tempo.

Acquistando un porta ottica C.A. non si compra un semplice oggetto ma un prodotto creato interamente in Italia, in particolar modo in Valtrompia, madre della nostra tradizione armiera.

Desideriamo quindi ringraziare tutti coloro che ci preferiranno, promettendo la professionalità anche nel futuro della nostra produzione e augurando le migliori soddisfazioni venatorie e sportive in tutto il mondo.

We, at Contessa Srl, have been suppliers of high quality machining to the gun industry for many years and we are famous for the absolute precision and consistency of everything we do.

We have recently introduced a new line of easy-to-use scope mounts to meet the demand and needs of hunters and shooters all over the world, even the most discriminating ones. The combination of the most advanced technology, hand skills and experience as well as the use of the best possible materials allow us to manufacture extremely durable products. If you buy a C.A. scope mount, you will buy a precision product entirely "Made in Italy".

We wish to thank you for choosing us and we promise you will have the best hunting and shooting experiences using our products.

SIMPLE BLACK STD

Costituisce il modello base dell'intera gamma. Ogni parte di questo sistema viene "creata dal pieno". Le parti in movimento sono in acciaio trilegato e temprato, mentre la base e gli anelli sono in lega leggera (Ergal 7075) e anodizzati. Questo modello è, allo stesso tempo, sobrio ed accattivante grazie al colore nero lucido e il marchio in oro. Peso complessivo: 148,7 gr.

This is our entry level product. Every part is machined from a solid block of steel. The moving components are in compound hardened steel. Base and rings are in hard-coat anodized light alloy (Ergal 7075). The black polished and gold look is classic and distinctive. Total weight: 148,7 g.
